

Defender Push Button Key Safe

SKU: HA00006

Large capacity key storage

Extra Large Capacity

Usable internal space is maximised, allowing storing of 10 keys, plus internal hook.

High Visibility Numbers

Bright white numbering allows easy identification, even in low light conditions.

Ergonomic Buttons

Soft touch and large size, with generous spacing, ideal for the elderly.

Weatherproof

Tough aluminium body and weatherproof cover protect against corrosion.

Easy Installation

Pre-drilled holes in the rear with specialist Thunderbolt fixings included.

Auto-Locking

Latch engages when closed, preventing the safe remaining in an unlocked state.
