Convenient and reliable key storage

## Easy-Press Buttons

Soft click buttons allow seamless use without compromising on durability.

## User-Friendly Access

Safe door detaches completely to maximise user access to contents.

## Effective Capacity

Minimalist internal design allows storing of up to 3 standard keys.

## Weatherproof

Tough aluminium body and weatherproof cover protect against corrosion.

## Easy Installation

Pre-drilled holes in the rear with specialist Thunderbolt fixings included.

## No Auto-Locking

Requires the code to be entered when locking, preventing accidental lockouts.
