

Defender® IIIT ALARM WITH TORCH

The UK's loudest personal panic alarm, with a hugely powerful 143dB siren and high intensity strobe light, the Defender IIIT is a highly versatile device.

Designed to instantly shock and deter potential attackers whilst alerting those around, the ripcord attachment allows it also to be used as a bag alarm, or as a wall-mounted panic alarm using the bracket provided.

- KEY RING/RIPCORD PULL ACTIVATED
- CAN BE WALL MOUNTED
- ULTRA-POWERFUL 143dB SIREN
- HIGH INTENSITY STROBE LIGHT
- SECURED BY DESIGN ACCREDITED
