

Defender® COOPER PERSONAL ALARM WITH TORCH

A compact and attractive personal attack alarm that fits comfortably in the palm or on a set of keys ensuring it is always at hand.

Simply pull the keychain to sound the alarm, which is loud enough to deter an attacker and attract the attention of others. The small and lightweight design is perfect for school children, joggers, lone workers and dog walkers.

- KEY RING PULL PIN ACTIVATION
- LIGHTWEIGHT AND DISCREET
- LOUD 130dB SIREN
- BUILT-IN LED TORCH
- SECURED BY DESIGN ACCREDITED
