

Defender® MINI ALL-PURPOSE ALARM WITH TORCH

Small, but very powerful and convenient personal safety alarm which sounds a powerful 130dB siren and also features a handy torch option.

Fastened to keys, a handbag or a belt, the Mini All Purpose Alarm can be used in a variety of situations. Featuring a key ring and a ripcord, the alarm can be activated by either pulling the pin out or pressing the test button. Ideal for carrying at night, around campus, walking the dog, or just going to the shops.

- PULL PIN ACTIVATED PERSONAL ALARM
- SUPPLIED WITH KEY RING AND RIPCORD
- LOUD 130dB SIREN
- BUILT-IN LED TORCH
- SECURED BY DESIGN ACCREDITED
