

Defender® MAX ULTRA SOLAR PIR SECURITY LIGHT

An extremely bright, outdoor solar powered PIR security light with 150 super bright white LEDs, which produces a powerful 1200 lumens of light.

PIR can detect motion from 6 to 12m away, and adjustable light heads allow for a large area to be illuminated.

Light comes with a separate solar panel with 4.7m of connecting cable for easy installation.

Suitable for driveways, garden paths, back gardens, porches and sheds.

- **SOLAR POWERED PIR SECURITY LIGHT**
- **1200 LUMENS LIGHT** - from 150 LEDs
- **FULLY CHARGES IN 20 HOURS**
- **3 ADJUSTABLE SETTINGS** - for light duration, light level at which it operates and motion sensor sensitivity
